

3-1-1. Officer OPAT Physical Demands Categories

The occupational physical assessment test (OPAT), allows the Army to screen applicants for their ability to succeed in their assigned specialty prior to entering active duty or active duty for training. Local commander are responsible for ensuring the OPAT is administered prior to approval of the soldier's reclassification, or branch transfer when applicable.

The OPAT categories for each officer specialty are:

AOC	TITLE	GRADE BAND	CATRGORY
