## Commander's Comments:

I hope you all are looking forward to drill this weekend as we get after the ACFT, academics, and some flight training. Saturday's uniform is PT's, and Sunday will be the flight uniform. Don't forget to complete your flu shot before BA and submit your 1380 for pay.

We are still planning on an optional Holiday Event at the De Soto VFW in January during BA. We are considering other options, and weighing COVID mitigations, more information to follow.

We will push out any changes or updates to the FY21 training plan as they come in. Thank you for your hard work and dedication; it does not go unnoticed. Keep up the great work in pushing yourself and developing your craft.
