**Scalpa Recalls Scalpa Numb Maximum Strength Topical Anesthetic Cream Due to Failure to Meet Child Resistant Packaging Requirement; Risk of Poisoning (Recall Alert)**

The product contains the substance lidocaine which must be in child resistant packaging as required by the Poison Prevention Packaging Act (PPPA). The packaging of the product is not child resistant, posing a risk of poisoning to young children.

**Remedy:**

Consumers should immediately stop using the recalled Scalpa Numb, store the cream in a safe location out of reach of children and contact Scalpa for a full refund or store credit. Scalpa is directly notifying all known purchasers about the recall.

**Units:**

About 10,000

JANUARY 27, 2021

**CB2 Recalls Junction Tall Chests and Low Dressers Due to Tip-Over and Entrapment Hazards**

The recalled chests and dressers are unstable if they are not anchored to the wall, posing serious tip-over and entrapment hazards that can result in death or injuries to children.

**Remedy:**

Consumers should immediately stop using the recalled chests and/or dressers if they are not properly anchored to a wall and place them in an area that children cannot access. Contact CB2 for instructions on how to receive full store credit or a full refund.

**Units:**

About 11,000 (in addition, about 355 were sold in Canada)

JANUARY 19, 2021

**Rapala USA Recalls Rechargeable Fillet Knives Due to Fire Hazard**

The battery can overheat and catch fire if non-Rapala chargers are used to charge the battery.

**Remedy:**

Consumers should immediately stop using the recalled rechargeable fillet knife, remove the battery and look for a white ETL label on the battery. If the battery does not have a white ETL label, consumers should contact Rapala USA for a free replacement battery and for pre-paid return of the old battery to Rapala for proper disposal.

**Units:**

About 128,000
