Commander's Comments:

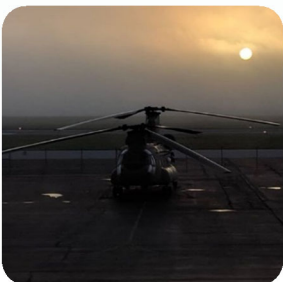

Spartans, looking forward to getting after some deliberate operation mission planning and execution this weekend. Going to be a solid weekend of training consisting of flying, briefs, Driver's TNG, SHARP TNG (SFC Ocasio, one of the BN VA's will be here), MOS Proficiency TNG, and more. Let's continue to focus on aircraft and tactical/technical proficiency.

We have a full year planned with NTC (May-June), FE/CE Academies, Ft. Sill BN ECT, gunnery/ranges, and other training events, all with a focus on continuing to develop the individual and overall team Olathe for deployment. NTC Crews, continue to get prepped for our time at Ft. Irwin, ensure you OCIE is ready to roll, direct any questions to your first line leader.

Note, higher is really focusing on MRC/DRC readiness at this time. Thank you all for staying on top of your medical/dental readiness. Please continue to do so, your efforts are much appreciated.

Right now we are looking at an August BA family day/BBQ. We will continue to provide updates on that. Thank you for your hard work and efforts. See you all BA weekend. -CPT McCoy
