Commander's Comments:

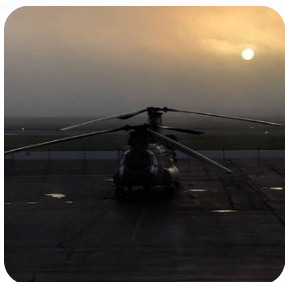

Spartans, this month we have the ARAC SHARP inspection that will be conducted via TEAMS on Saturday of BA. See the schedule and associated location/TEAMS line for your sensing session. In FY20 we handed out SHARP reference cards to all Soldiers, we will have more at BA. A great reference tool to carry with you. There is no place for harassment, assault, or equal opportunity violations in this unit and as a team we will not allow it in our formation. Saturday PM will be our Extremism Stand-Down. Sunday we will get after the flying.

Still a full year of training ahead of us, updated NTC dates are 22MAY-25JUN, FE/CE Academies (next academy is 17May), Ft. Sill BN ECT (10-30 July), gunnery/ranges, and other training events, all with a focus on continuing to develop the individual and overall team Olathe for deployment. NTC Crews, continue to get prepped for our time at Ft. Irwin, ensure you OCIE equipment is ready to roll, direct any questions to your first line leader.

Higher is still pushing MRC/DRC readiness and immunizations. Thank you all for staying on top of your medical/dental readiness. Please continue to do so, your efforts are much appreciated.

Thank you for your hard work and efforts. See you all this weekend. -CPT McCoy
