Commander's Comments

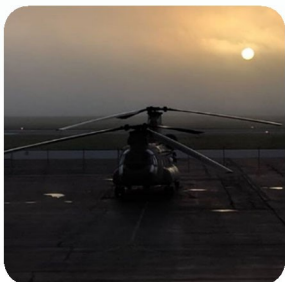

Spartans, our goal this year is simple, "Leave each day knowing we made ourselves, the company, and the Army a little bit better than we found it in the morning".

Keep OPSEC in mind and do not post information containing specifics of tasks and missions, especially for those downrange.

What a great day you made it for all involved with the send-off! It couldn't have happened without your shared ideas, hard work, and "ownership" attitude. Keep bringing that positive energy... it's a pleasure to serve with professionals.

Key Points for Battle Assembly

- **Formation:** 0800 sign-in on the hangar floor.
- **UNIFORM:** Saturday (Flight Uniform); Sunday (Flight Uniform)
- **Enlisted Lunch:** Because of Rear-D persons not having the right access, this month it is MREs. Mr. Koch is working hard to get meals for follow on BA.
- **RSTs Currently Approved:** None
- COVID-19 mitigation for Battle Assembly in effect.
 - All Soldiers must bring a mask to be worn when indoors; complete temperature check-in/with questionnaire upon sign-in, etc. By now we all know the procedure, just do the right things so it won't become more of an issue than it needs to be.

This is where you can get the most up-to-date info on events, find a Battle Assembly link for drill timelines/uniform/etc., find RST forms, etc. ...basically, if you need it, look on the website first

Admin/Medical

Maintain your medical readiness by checking your LHI!

- CW3 Clear and SSG Moore will be tracking the Officers and Enlisted respectively. Come prepared to provide them proof of your COVID-19 shot or exemption request, as well as your other medical and dental status. Login and review your status with them during drill.

- Mr. Clyde and I don't have admin access to all the systems yet, so it's critical that you take ownership over your personal metrics in the coming months.

- ADOS/Schools orders are only available for SMs who:

- 1. Meet current COVID guidance**
- 2. Meet HT/WT and it's uploaded in DTMS**
- 3. MEDPROS – GREEN**

FRG NOTES

- From CPT McCoy and the FRG leader, Mrs. Samantha McCoy: "Thank you all so much for the great send-off! The day was a huge success. Terrific work team!"
